## Biographical Note

---

James "Big Jim" Cashman was born in Ladue, Missouri on December 16, 1884 to Benjamin Franklin Cashman and Ella Mary Stovall. Cashman moved to Searchlight, Nevada in 1904. By 1910 Cashman opened an automobile garage in Searchlight, and eventually expanded into selling automobiles. Cashman moved from Searchlight to Las Vegas, Nevada once the mining boom in Searchlight ended around 1920, and opened a garage next the Overland Hotel on Fremont Street in Las Vegas. Cashman married Leah Barker in 1923 and together had two children: Tona in 1924, and James Jr. in 1926.

The voters of Clark County, Nevada elected Cashman as county commissioner from 1920 to 1928. During this time, he operated a ferry service across the Colorado River, until the beginning of the Hoover Dam project, which he advocated. In 1931 Cashman sold six Caterpillar Inc. diesel tractors to Six Companies Inc., which established him as a partner on the project. Upon completion of the Hoover Dam, Cashman operated scenic tours of Lake Mead and continued operating an automobile dealership until his retirement in 1955, when he passed control of his companies to his children.

Cashman remained active in organizations in Las Vegas such as the Benevolent and Protective Order of Elks and the Las Vegas Rotary Club until his death, on December 30, 1962 due to a heart condition. Clark County named James Cashman Middle School in honor of James Cashman Sr. and his family's contributions to the development of the city. The family was inducted into the University of Nevada, Las Vegas' (UNLV) Nevada Business Hall of Fame in 2007.
