Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Title:	Nye County, Nevada Photograph Collection
ID:	PH-00221
Date [inclusive]:	1880-1990
Physical Description:	4.12 Cubic Feet (47 hanging folders, 1 box, 1 shared box of negatives, and 1 CD-ROM)
Physical Description:	4.19 Linear Feet
Language of the Material:	English
Abstract:	The Nye County Photograph Collection contains photographs from Nye County, Nevada from 1880 to 1990. The collection includes a wide variety of photographs that document the activities, landmarks, geographical features, towns, ranches, and families of Nye County. The collection covers the areas of Amargosa Valley, Ash Meadows, Beatty, Duckwater, Gabbs, Goldfield, Kawich Mountains, Manhattan, Pahrump, Round Mountain, Rhyolite, Smoky Valley, Springdale, Tecopa, Tonopah, and Twin Springs. The activities documented include mining, prospecting, herding animals, schooling, ranching, building construction, railroad construction, and hunting and fishing.

Preferred Citation

Nye County Photograph Collection, 1880-1990. PH-00221. Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

[^ Return to Table of Contents](#)

Historical Background

Nye County is the largest county in Nevada and the third largest in the contiguous United States. It was established in 1864 and named after James W. Nye, who served as Nevada's first governor. Mining booms in Rhyolite, Nevada and Tonopah, Nevada in the early-twentieth century bolstered Nye County's population and economy, but after the booms receded so too did Nye County's population.

Scope and Contents Note

The Nye County Photograph Collection contains photographs from Nye County, Nevada from 1880 to 1990. The collection includes a wide variety of photographs that document the activities, landmarks, geographical features, towns, ranches, and families of Nye County. The collection covers the areas of Amargosa Valley, Ash Meadows, Beatty, Duckwater, Gabbs, Goldfield, Kawich Mountains, Manhattan, Pahrump, Round Mountain, Rhyolite, Smoky Valley, Springdale, Tecopa, Tonopah, and Twin Springs. The activities documented include mining, prospecting, herding animals, schooling, ranching, building construction, railroad construction, and hunting and fishing.

[^ Return to Table of Contents](#)

Arrangement

This collection is arranged into seven series:

Series I. Amargosa Valley, Nevada, 1890-1985;

Series II. Ash Meadows, Nevada, 1916-1985;

Series III. Beatty, Nevada, 1904-1989;

Series IV. Pahrump, Nevada, 1910-1990;

Series V. Smoky Valley, Nevada and Round Mountain, Nevada, 1900-1988;

Series VI. Tonopah, Nevada, 1902-1989;

Series VII. Other areas in Nye County, 1880-1989.

[^ Return to Table of Contents](#)

Administrative Information

Access

The collection is open for research.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections website for more information about reproductions and permissions to publish.

Acquisition Note

The collection was assembled by UNLV Libraries using multiple donations over several years.

Processing Note

Materials were processed by Special Collections staff. In 2015, as part of a legacy finding aid conversion project, Lindsay Oden wrote the collection description in compliance with current professional standards. In 2020, as part of an archival backlog elimination project, Melise Leech added additional materials and revised the collection description in ArchivesSpace in compliance with current professional standards.

Collection Inventory

Amargosa Valley, Nevada, 1890-1985

Physical Description: 0.4 Linear Feet (5 hanging folders)

Scope and Contents Note: Materials contain photographs from 1890 to 1985 of the Fishel and Records families, two families who had ranches in the Amargosa Valley in Nye County, Nevada. Materials include photographs of ranch houses, harvests, fields, wagons, animals, railroads, irrigation systems, and early buildings.

Arrangement: Materials are arranged into two subseries:

Subseries I.A. Fishel Family (T&T Ranch), 1920-1985;

Subseries I.B. Records Family, 1890-1980.

Fishel Family (T&T Ranch), 1920-1985

Physical Description: 0.2 Linear Feet (3 hanging folders)

Scope and Contents Note: Materials contain photographs from the T&T Ranch, owned by the Fishel Family, from 1920 to 1985. Materials include photographs of houses, farming, animals, and produce.

Arrangement: Materials remain in original order.
