Historical Background

"The Southern Nevada Jewish Heritage Project at the UNLV University Libraries is a multi-year initiative to collect, preserve, and provide access to primary sources documenting the history of the Jewish community of Southern Nevada. The project's goals are to conduct oral histories that

capture first hand testimony about Jewish life in Las Vegas; to seek personal and organizational archives about the community and ensure their preservation; to provide online access to selected historical resources that support research, teaching, and learning; and to engage the Jewish and Las Vegas communities in appreciation of this rich history."
